Client Testimonials

The day was a great success and the team now have a toolkit to help them in bringing fresh approaches to problem solving and idea generation. Feedback across the board was very positive.

Mark Quartermaine, Head of CRM & National Leads, **National Australia Bank**

Thank you again for the very practical way you engaged with the group. They will never look at a problem in quite the same way. The feedback showed that they would now be able to come up with a creative solution if they just followed the easy steps you walked them through.

*Meredith Scott, Partner, **Ernst & Young***

You made our event such a great success. Your up-beat tutorials were entertaining and informative and we received a great deal of highly positive feedback from all participants on the day.

*Robert Gibbs, **Telstra***

After the previous night's activities, it was excellent to get everyone back up to speed and 'Wake 'em up with your lively presentation! I would highly recommend a similar seminar to start off the day next year.

*Andrew Green, **Woolworths***

Your speech was very topical and certainly outlined the realms of possibilities that are coming down the pipe to us. It was an excellent mix of information, humour and anecdotes.

*Tony Fitzgerald, **National Australia Bank***

A huge thankyou for the fantastic presentation you gave at Youth Jobs Day. We have had so much feedback already about your enthusiastic, motivating and interesting speech. You are a very special lady with a very special gift for communication.

Speakers Bureau

..motivating..entertaining.. with amusing anecdotes and great case studies from her wide experience. Really fired us up!

Westpac

Insightful and entertaining, you captivated the audience for a full two hours. Your individual style and sense of theatre captured everyone's attention and we were all talking about it the next day. Thank you!

*Zoran Mustac, **Countrywide***

Thank you so much for being our Keynote speaker at the recent 'Business Innovators Seminar'- you presentation was inspiring and provided many gems and practical solutions that they could put in place today and into the future.

Lisa Donath, BSI Events

...content was terrific, well pitched for the group, great delivery, wonderful sense of humour, impressive – overall thoroughly impressed and you rated as the conference highlight.

Speakers Bureau

Yvonne delivered a humorous and enlightening presentation to a very diverse audience. She managed to hold their attention for 2 hours and successfully converted the sceptics. We all learned something.

Judith Hanke, Dept Education & Training

A wonderfully entertaining speech. Friendly and cheeky... with relevant and informative stories - a crucial component for keeping audiences captivated. Valuable hints and tips that will take these bright young things very far indeed. You're now Monash University's draw card for the annual event.

Karen Young, Manager, Industry Projects, Monash University

Your presentation was informative, vibrant and funny. The tips within your talk had people calling me the next day letting me know how handy they were and others wanted to pass on that they had followed your instructions! You were excellent and I will definitely consider you for events that I organise in the future.

Kim.Hurst-Meyers, Dept of Finance and Administration

Congratulations on your superb presentation at our Melbourne luncheon. The event was a great success and enjoyed immensely by all. I appreciate the enthusiastic contribution you displayed. Your willingness to impart your knowledge and business expertise with the audience was indeed generous.

Lynette Palmen AM, Founder & MD, Women's Network Australia

Thank you MS Megabyte, for your wonderful performance at the opening celebrations of the Hume Global Learning Centre. We were thrilled with your MC work and demonstrations. The evening was a great success.

Melanie Gardiner, Hume City Council

..a wonderful, energetic speaker – with the right mix of stories and content; Learnt heaps in a short time; Sensational; The hour flew by. More please!; Fun; Made my day – what she taught me will save me hours.
